## PASTOR'S FOREWORD

Dear Members of St. Daniel's:

May I begin my letter to you by expressing my sincere thanks and appreciation to all for helping to spread the message of Christ in a most effective way during this past year. We have come a long way in the two short years of my pastorate but the credit lay not upon the Pastor, but the members of Christ's Church.

I have tried to do my utmost in bringing the ministry of Christ to the sick, aged and shut-in-members of our church. As a Pastor this has always been my first concern. Bringing the saving Gospel of Jesus Christ into the lives of those who really need faith, comfort and trust in Christ, as well as themselves.

During the past year your pastor performed the following pastoral acts. Sixteen services of infant baptism, Fifteen marriage services, Fourteen funeral services and received 28 new members into the church.

This year you will notice that our membership list in the back of the book is divided into Active and Inactive members. We have done this not to single out any particular person but with the hope that we can reactivate them during 1960. Certainly our membership in a church is more than having our name on the roll of the church. It is the active participation of the person with his Lord. It is the giving of our time, our energy, our talents, to Christ's great work. It is an indication that we care for Him as "He Careth For Us." It is just as easy to be an active Christian as it is to be an inactive Christian. None of us ought to become so busy that we find no time for Christ in our lives. We hope and pray that this year those who are now on an inactive status will become a part of the total work of the church.

We have seventeen boys and girls in our confirmation class this year. The service of confirmation will be held on Palm Sunday. We are proud of these fine young men and women. We trust that they will be faithful to their Lord and Church.

In closing I should like to express my sincere thanks to the outgoing members of the church council for their faithfulness and their concern for the church. You have served your church and your Lord well. I would also like to thank our Junior and Senior choirs for their splendid work during the past year, the officers and teachers of our Church School and the organizations of our church which have really grown, under faithful and sincere leadership.

May God richly bless us as we labour together to further the work of Christ and His Kingdom here on earth.

Yours In His Service,  
Pastor Miller

**POLICY OF THE LUTHERAN CHURCH  
 REGARDING ACTIVE AND INACTIVE MEMBERS**

**AN ACTIVE MEMBER:** is one who communes at least one time a year and who contributes to the church.

**AN INACTIVE MEMBER** is one who has not communed or has not contributed to the church during the past year. If you have contributed to the church our only method of knowing is through your envelope, or if you have sent your contribution to our Financial Secretary. Your communion record is tallied by the Communion record card which is to be filled out at our communion services. Your membership can again be placed on the active roll by communing and contributing during 1960. We trust that you will want to be on the active roll of the church.
